## Holy Smoke, would you look at that Web Site!

Wanda Gomez (formerly Wanda Yvonne Wallace Yearwood, 1972) volunteered to, and has done an outstanding job of, implementing our website. Go see for yourself!

You can access the list of your classmates' names without logging in. Set up your login information and you can input (or modify) your profile and other pertinent information about yourself so your classmates can find you. With your login information you can also access the information about your classmates that they have permitted us to see.

On the website you will find not only your classmates but your teachers, photos, yearbooks, and other information related to College Park High School and school activities. Wanda has put the Annuals for several years on the website and will add others (see list of yearbooks needed below) when a student loans, or gives us, a volume that we are missing.

Now you can register and pay for attending the upcoming reunion (more about that in the following pages) via the [www.CollegeParkRams.Org](http://www.CollegeParkRams.Org) web site.

Send corrections and suggestions to John Masters or Wanda Gomez.

Send your applause to Wanda. She deserves a million bucks but she said she would settle for a great big "Thank You!"

### The Reunion Committee Needs

Yearbooks for the following years:

- a. 1943 - 1946
- b. 1951 - 1953
- c. 1967 - 1968
- d. 1974
- e. 1976 - 1988

### Official CPHS Alumni Website

This website has brought many classmates together, and is a wonderful "grand central station" for communication and news. When classmates register, individual classmate profiles are created by the classmates to let friends and schoolmates know their current location and what has been

done since high school. Classmates can upload photos, and even have individual year reunion news and photos posted. The classmates listed in the website database are from previously existing class lists and from senior class yearbooks.

The yearbook project is ongoing; we are seeking yearbooks for the missing years, so that we can post senior class photos on the classmate profiles for all years. Several years have been completed, and we have yearbooks not yet completely uploaded. See the status of the project on the website home page.

If you register on the website (and keep your email address current) we can send news easily and save postage by doing so! If you do not find your name listed on the web site, you can use the email address listed on the site to request that your name be added to your class year. You will then receive an invitation via email to create your profile.

There is news, maps, and an online registration link for the upcoming 2012 Reunion on the website. So, if you haven't heard about it yet, we invite you to check out the website and register for the most update information about CPHS alumni and happenings.

## FACULTY CORNER

Coach Ken Ross

Georgia Athletic Coaches Hall of Fame  
2008

Our Coaches were the best! We had Bill Baggett, Owen Harris, Jack Cunningham, Scrap Wheeler, and Ken Ross while I attended CPHS. In 2008 Coach Ken Ross was honored for his service by his induction into the Georgia Athletic Coaches Hall of Fame. I'm proud to say he was "my Coach". The following is an excerpt from his Induction.

By John Masters, CPHS 1963

**"Coach Ken Ross was inducted into the Georgia Athletic Coaches Hall of Fame on June 7, 2008. He coached for a total of forty-one years in the State of Georgia and thirty-six of those years as Head Coach in Basketball and Track. His coaching career was at two high schools, College Park High School and Riverdale High School. His overall record was six hundred forty-two wins and three hundred twenty-four losses, winning three state championships, one state**

**runner-up title and five region championships. He is the only coach in Georgia to coach in the State Tournament in all five classifications. While winning three state championships in 1974, 1975, 1976, his teams had a record of ninety-four wins, three losses and a fifty-nine game winning streak. His philosophy in coaching was to keep it simple, work the kids hard, teach fundamentals, demand certain behaviors and teach discipline. Coach Ross possessed a high level of integrity, and a stellar reputation and record. He was the consummate professional, coach, and friend to America's youth."**
