## Cheerleaders Elected

The new College Park cheerleaders were elected Tuesday, April 29. It was a close election, for everyone that went out for it was very good. The new cheerleaders and alternates should be very honored that they were elected. The others who weren't quite as lucky should also be honored they got as far as they did and think of the years before them they will get to cheer. The lucky ones were: Jackie Bell, Judy Chance, Anne Groover, Sue Lunceford, Carolyn Newton, Pat Rish, Catherine Thompson, and Stella Wiley. The alternates were Patricia Strickland and Linda Livingston. Congratulations, girls!

## Good Luck

The Ram's Horn wishes best of luck to Tom Miller and Kenneth Smith who, under the supervision of Mr. Marshall, are representing College Park High School by entering several mechanical drawings in the Ford Motor Company's Industrial Arts Awards Contest, Saturday, May 17, at Georgia Tech. Later these drawings will be entered in the national contests in Dearborn, Michigan.

### To Seniors From A Senior

Well, here we are everybody—and here we go! May 30th just can't get here fast enough for most of us. But we'll all look back with a sad note or happy note on things that happened to us here at CPHS: Our first time in detention hall, our first "run-in" with some teacher, the first time we sneaked over to Mr. Duker's, the time we got "locked" in the library chair, the time our class rings came, the time we didn't have a date for Junior-Senior our Senior year, or the time we did, the many times we ate in the cafeteria, the time we taught class during Senior Week, the last minute rush to get up enough credits to graduate, getting the annual back, getting out that last Ram's Horn, playing in that last football, basketball, or baseball game, singing or playing that last song in music, that favorite class, that favorite teacher, our Senior Trip, the many times we were late to class and school, the time we got our invitations and cards, and lastly and most important—Graduation!

As I am a Senior and writing this, I can't say Farewell to Seniors because I'm going too. So, taking a lot on myself, I say Farewell to the school and I hope you have all this to look back on.

The Editor

### To The Teachers

Since school is at long last almost out and teachers and students

alike are "plum worn out," we want to salute the teachers. You've all been great. Maybe we fuss now about how hard that English or Shorthand or ----- teacher was, you better believe we'll appreciate you someday—maybe. We do hope that little things like popping gum and talking while you were talking didn't bother you too much, this year, but you all know that we must be clacking our jaws one way or another. Best of luck to you all.

### Just A Word

It is not customary, nor even considered proper by some, for a faculty adviser to write an editorial in the school newspaper. However, at the risk of being considered incorrect, I am breaking precedent this once.

Many of you have been dissatisfied with your newspaper this year, many of you felt you didn't get your money's worth, many of you didn't like it. We know that we can't please all of the people all of the time, but we hope that we have pleased most of the people most of the time.

We have had trouble getting news this year, we have had technical problems, we have had financial worries—but because of the 25 people you see listed in the staff box every month you have ended the year with a fine paper. As a very prejudiced adviser I would like to say that you have one of the finest newspaper staffs in the country.

The Adviser

## A Friend Is A Gift of God

By Roberta Erwin

The word friendship, defined by Webster: "united with affection or esteem," has in our world today all but lost its real meaning. Many times I have heard someone saying that he has many friends, as if he expects to name them off by dozens. If he has one real friend, he is lucky, for it is said: "a true friend is a gift of God."

The lesson of true Christian friendship is told in David and Jonathan's friendship. In Jonathan's time it was customary for an older boy to help a younger one through their friendship. This certainly is true in David's case. Jonathan symbolized his great love for his younger friend by taking off his own robe and placing it on David's shoulders. Jonathan, though remaining loyal to his father to death, never betrayed his friendship to David.

To be a true friend one must give love, offer self-denial and sacrifice. Some seek out many to be friend for their own selfish reasons. Yet, if one of their friends were in need, would they help? Just to offer compliments and even material things doesn't mean you are a true friend. Are you willing to give all you have to your friend? This is a true measure of love in friendship.

In November of 1956 four young Hungarian boys were seeking freedom, risking their lives to slip from behind the Iron Curtain. Just as they were a few yards away from the border, spotlights found them; they were fired upon. One boy, wounded, stumbled and fell. The others stopped their flight to come to the aid of their young friend. But he replied, "Go on, go on, I'm right behind you." He was behind them, but not as close as they thought, for when the three young men looked back from safety, they saw the lifeless form of their friend.

When you feel you have secured enough friends, do you stop trying to help those around you, or do you, like the Good Shepherd go one step further, helping and befriending those in need around you even though you have enough sheep to keep you from starving?

## Jr.-Sr. Is Over

The annual Junior-Senior Prom of College Park High School was held Friday, May 9 from eight-thirty to eleven-thirty. The theme was "Sayonara" and decorations were centered around the theme. They consisted of a bridge with a pool in the center of the dance floor, a bamboo fence around the band, a patio, and a Japanese hallway. The recreation center was decorated in red, black, yellow, purple, blue and green.

Wes Baxter and his band furnished the music for the evening. There were cookies, punch, and finger sandwiches for refreshments.

About two hundred and fifty students attended the dance.

## Sponsors Parade

On May 2, at 2:00 in the afternoon C.P.H.S. witnessed another Sponsors Day. The weather was warm and sunny, and everything progressed as planned. The sponsors were lined up according to their officers ranks and the companies were arranged in order. Then as the review began the band played "March on the River Kwai," and led by the majorettes, passed in front of the stands. The cadets who were to receive awards were called forward and awards were presented them. Then the officers escorted their sponsors around the field as the band played "Tammy" and "Love Letters in the Sand." The sponsors were presented to the companies and then paraded to the front of the field and stood with the regimental staff while the companies passed in review. Sponsors Day, 1958 will be well remembered by all of us.

## Alumni Notes

Post cards were sent to the 1957 graduates and out of 84, 70 replied. Here is a summary of the follow-up of the graduates. Forty-nine girls and 35 boys were in the class. Thirty-nine girls and 31 boys responded. Seven girls and two boys are married. Six boys and seven girls are employed and one girl and boy are unemployed. Six boys are in military service, three boys and one girl attend two-year colleges. Five boys are in Technical School and two girls are in Nursing School. # SPORTS

## Baseball

Good pitching and hitting are necessary requirements to a winning baseball team, and so far the College Park Rams have had plenty of both.

After winning their first sub-regional game from Fairburn 1-0, the Rams then dropped their next one to Hapeville 7-6. However, they have since steamrolled over Headland 8-0, Newnan 5-0, Headland 14-1, Newnan 6-2, and Fairburn 7-4; and they are now tied with Hapeville for first place. College Park has one more game on its schedule and this is with Hapeville. The winner will go on to play for the regional championship and then the state championship.

Leading pitchers for College Park are Bill Curry 3-1, and Tommy Fields 3-0. Leading hitters are: James Wallace and Jimmy Tumlin.

## Track

In the Country Track Meet held recently, College Park placed third among the six schools entered. Members of the track team who will receive medals are: Jack Darrington, who placed first in the mile; Ward Akins, Richard Smith, Guy Davis, and Donald Harrison, who tied for first place in the mile relay; Ward Akins, who placed second in the 440; Allen Wooddall, who placed second in the high jump; Donald Harrison, who placed second in the pole vault; Charles Akins, who placed second in the broad jump and third in the high hurdles; Guy Davis, who placed third in the 880 and Tony Fleming, who placed third in the 220.

## Tennis

The regional tennis tournament was played on April 25, at Westminster. College Park representatives were Gary Stockton in the boy's division and Claudia Hutcheson in the girl's. When the "smoke cleared" Claudia had defeated players from Gainesville, Chamblee, Fairburn, Druid Hills and Westminster to qualify for the state tournament to be held in Macon on May 8.

On May 8, Claudia Hutcheson breezed to the girl's state tennis championship. In the first round Claudia won from her Rockmart opponent with scores of 6-1, 6-1. Then in the finals Claudia defeated her Waycross opponent 6-0, 6-0. Congratulations to the new state champ!
